Optional Equipment:

Special Features:

Converts in Seconds - No tools are necessary to convert the Quad Lifter to one of the different lifting configurations.

Reduced Down Time - Quad Lifter does the work of 4 machines, reducing time on the job site by 1/3. One machine can lift man and material.

Lower Transport Costs - Ship one Quad Lifter on one truck. Quad Lifter and its attachments are light enough to fit on one truck as a legal load.
